

# HUMAN NATURE

Have you ever questioned the nature of your reality?

POWER	PASSION	MYSTIQUE	PRESTIGE	ALARM	REBELLION	TRUST
Confident	Expressive	Understated	Ambitious	Perfectionist	Innovative	Stable
Driven	Intuitive	Complex	Discerning	Reliable	Independent	Reliable
Influential	Impulsive	Deliberate	Strong-Willed	Careful	Unpredictable	Comforting

- What does the picture represent?
- What do the word “personality” and “mood” mean?
- What kind of person are you?

Talkative	Eccentric	Cheerful	Indecisive	Clumsy
-----------	-----------	----------	------------	--------

It is quite ambiguous to say someone is talkative to avoid ambiguity we sometimes use words like **quite, pretty, somehow or extremely** etc... make some examples!

**One question:**

Hadi Fathi  
CALIFORNIA series...

every day or everyday: .....

sometimes or sometime or some time: .....

Especially or specially: .....

- What makes people different?
- What makes some better than the other? are you sure?
- What do nature and nurture mean?

**Tactics:**

Many may say....., however, I believe.....

At first glance it may look..... but if we flash a light on.....

- **Classify the words under positive and negative adjectives.** And then make some examples:

Adjectives		
Apprehensible	Well-liked	Assertive
Egotistical	Cynical	Self-conscious
Sensible	Sensitive	Gullible

**Speak like a champion:**

Fascinating	Phenomenal	Spectacular
Exhausting	Superb	Mesmerizing

The art gallery was very interesting there was a painting which was very special and couldn't take my eyes off of the very beautiful scene, it was very eye catching other paintings were also very good but seeing people not understanding the fundamentals was quite a mood killer and very tiring!
