What do you think about this picture?

Why do we get married?

How do we find our soul mates?

Are you sure?

Your idea: I believe we get married because

Why do we get divorced?

How do we understand it's impossible to continue?

Your idea: In my opinion people get divorced because

Need	Get along with	Spend time Together
Make a mistake	Have sth in common	Tolerate
Cheat	Trust	Forgive

A lot of people believe people get married because they..... and want to..... They..... each other and cannot live alone and they get divorced because they can'teach other or..... They believe they don't each other.

Compare with your friends!

What's the solution for a couple who don't get along well with each other?

Having a baby?

Visiting a consultant?

Get divorced?

Just keep living?

Your solution:.....

A lot of psychologists say: it is impossible to change someone.

What do you think? Why?

Stubborn	Dull	Selfish
Self-centred	Workaholic	Selfless
Tolerant	Aggressive	Bad-tempered
